MEDICAL TREATMENT AND ADVICE POLICY (CONFIDENTIAL)

Dear Parent/Carer/Guardian/Applicant: Please note that as a Judo club affiliated to the British Judo Association our qualified coaches have attended a 4 hour basic First Aid course as required under Health and Safety legislation. We are able to carry out basic first aid for the safety and well-being of the applicant. All incidences of injury or illness will be recorded in the Accident/Incident book. This must be acknowledged and signed by all relevant parties, including you.

It is important to note that we can offer immediate first aid ONLY. An ambulance will be called to any emergency but we must stress that it is your responsibility to seek further medical advice in ALL circumstances of injury/illness as underlying medical problems may not be immediately apparent, for example:

- Cuts and grazes may become infected.
- Bruising / Soft tissue injury may be concealing a fracture.
- Head Injury may worsen some hours after the incident

You can consult medical professionals such as:
-Your General Practitioner
-NHS Direct – Telephone Number 0845 4647

Although you are not obliged to, it would also be helpful if you could advise us of any existing medical conditions, allergies, etc. that we would need to be aware of when providing first aid treatment to the applicant. This information will be kept in strict confidence in accordance with the Data Protection Act 1998.
